Presidents Report

Great plans for 2020 put on hold when we got Covid.

Still became a great year for the club, with a record 75 members and still able to conduct 9 events and I believe better events than before.

We saw the introduction of the Wokalup event and though hampered through the weather was very well received.

Thanks as usual must go to land owners for allowing us to run on the properties, especially Len butler who allowed us once again to run twice on his amazing property and opening up more ground.

Northcliffe I think is becoming a bit of a must attend event, it amazed me the amount of laughter going on over the two days considering the mud and water. Was truly an epic two days and I believed the running from the pub, with decent accommodation options has brought the partners to the event. The town has really got behind the event and we already have big plans for next year's event. This year's event the men's shed set up their stall expecting to take around \$100, but made nearly \$1000.00 over the two days and thanked the club for their contribution.

Myself, Ray and Rob also looked at an area called Queenswood which we believe if we can finally contact the land holder would be up with Greenbushes in its layout.

Thanks must go to all members of the committee who all contributed to the running of the club over the year.

Too our sponsors South West Auto's, Harv's Tyres, Canning Motor trimmers, Great Southern Motorcycles, BF Customs, Barton Jones Wines, and Northcliffe Hotel a big thank you.

Next year club continues moving forward still looking for more venues. We hope this year we will be able to get more members involved in the marking and running of events. We are hoping members of the club are able to attend the Australian 3 Day Vintage enduro to be held in Victoria in May and already plans are under way to find ways to assist getting members over there.

I have been asked to hold an event in between Geraldton and Northampton next year, but am struggling to find a suitable time other than the June long weekend, but believe another venue at that time might become available.

Anyway enough said, thank you for your support this year and let's get into 2021.

President Barry Mitcheson

Vice president Rob Bray

Secretary Paul Barker

Treasurer Christine Mitcheson

Committee members, Ray Williams, Sam Weatherhead, Chris Treasure

The president thanked the departing committee for the great job done this year.

Membership 2021 will remain at \$70.00 moved Paul barker, seconded Sam Weatherhead, carried

Free membership for 2021 was given to Christine Mitcheson for her work as treasurer and work with the website, moved Barry Mitcheson, seconded Rob Bray, carried

Bike eligibility, discussion took place but the members agreed that the cut off remain at pre1995.

Computer application, Christine Mitcheson (by email) requested to purchase a folder plug in to upgrade the website, cost is between \$79 to \$109 US plus tax. Moved Barry Mitcheson, seconded Rob Bray, carried

A motion for ladies and over 65 personnel are allowed to ride bikes up to 2005 with electric start this was to encourage the participation of wives and partners and help those over 65 continue to participate with the club. This does not include any event specified by the club i.e. Black Diamond, they must then ride a pre95 bike if they wish to participate in that event. Moved Michael Geen, seconded Rob Bray carried

Members were informed that we were hoping to get more volunteers to help with marking of loops as this year it was basically left to 3 people and early in 2021 we will be asking for people to put their names forward for a roster type situation.

Members were informed that this year we were in the process of getting several members over to Victoria for the Australian 3 Day Vintage Enduro in Victoria, sponsorship and team shirts had been organised with MWA, but of course due to Covid did not go ahead. We are hoping to do the same in 2021 for members to attend the event in Victoria.
